If the aggregate value of all such property at any time owned by all Assignors exceeds such amount, the Assignors shall provide prompt written notice thereof to the Security Agent and, upon the request of the Security Agent, the Assignors shall promptly (and in any event within 30 days) take such actions (at their own cost and expense) as may be required under the respective United States, State or other laws referenced in Section 9-311(a) of the UCC to perfect the security interests granted herein in any Collateral where the filing of a financing statement does not perfect the security interest in such property in accordance with the provisions of Section 9-311(a) of the UCC.

3.10 As-Extracted Collateral; Timber-to-be-Cut. On the date hereof, such Assignor does not own, or expect to acquire, any property which constitutes, or would constitute, As-Extracted Collateral or Timber-to-be-Cut. If at any time after the date of this Agreement such Assignor owns, acquires or obtains rights to any As-Extracted Collateral or Timber-to-be-Cut, such Assignor shall furnish the Security Agent with prompt written notice thereof (which notice shall describe in reasonable detail the As-Extracted Collateral and/or Timber-to-be-Cut and the locations thereof) and shall take all actions as may be deemed reasonably necessary or desirable by the Security Agent to perfect the security interest of the Security Agent therein.

3.11 Collateral in the Possession of a Bailee. If any Inventory or other Goods are at any time in the possession of a bailee, such Assignor shall promptly notify the Security Agent thereof and, if requested by the Security Agent, shall use its reasonable best efforts to promptly obtain an acknowledgment from such bailee, in form and substance reasonably satisfactory to the Security Agent, that the bailee holds such Collateral for the benefit of the Security Agent and shall act upon the instructions of the Security Agent, without the further consent of such Assignor. The Security Agent agrees with such Assignor that the Security Agent shall not give any such instructions unless an Event of Default has occurred and is continuing or would occur after taking into account any action by the respective Assignor with respect to any such bailee.

3.12 Recourse. This Agreement is made with full recourse to each Assignor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Assignor contained herein, in the Finance Documents and otherwise in writing in connection herewith or therewith.

ARTICLE IV

SPECIAL PROVISIONS CONCERNING ACCOUNTS; CONTRACT RIGHTS; INSTRUMENTS; CHATTEL PAPER AND CERTAIN OTHER COLLATERAL

4.1 Additional Representations and Warranties. As of the time when each of its Accounts arises, each Assignor shall be deemed to have represented and warranted that each such Account, and all records, papers and documents relating thereto (if any) are genuine and what they purport to be, and that all papers and documents (if any) relating thereto (i) will, to the knowledge of such Assignor, represent the genuine, legal, valid and binding obligation of the account debtor evidencing indebtedness unpaid and owed by the respective account debtor arising out of the performance of labor or services or the sale or lease and delivery of the merchandise listed therein, or both, (ii) will be the only original writings evidencing and embodying such obligation of the account debtor named therein (other than copies created for general accounting purposes), (iii) will, to the knowledge of such Assignor, evidence true and valid obligations, enforceable in accordance with their respective terms, and (iv) will be in compliance and will conform in all material respects with all applicable federal, state and local laws and applicable laws of any relevant foreign jurisdiction.

4.2 Maintenance of Records. Each Assignor will keep and maintain at its own cost and expense accurate records of its Accounts and Contracts, including, but not limited to, originals of all documentation (including each Contract) with respect thereto, records of all payments received, all credits granted thereon, all merchandise returned and all other dealings therewith, and such Assignor will make the same available on such Assignor's premises to the Security Agent for inspection, at such Assignor's own cost and expense, at any and all reasonable times upon prior notice to such Assignor and otherwise in accordance with the Finance Documents. Upon the occurrence and during the continuance of an Event of Default and at the request of the Security Agent, such Assignor shall, at its own cost and expense, deliver all tangible evidence of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contracts) and such books and records to the Security Agent or to its representatives (copies of which evidence and books and records may be retained by such Assignor). Upon the occurrence and during the continuance of an Event of Default and if the Security Agent so directs, such Assignor shall legend, in form and manner satisfactory to the Security Agent, the Accounts and the Contracts, as well as books, records and documents (if any) of such Assignor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Security Agent and that the Security Agent has a security interest therein.

4.3 Direction to Account Debtors; Contracting Parties; etc. Upon the occurrence and during the continuance of an Event of Default, if the Security Agent so directs any Assignor, such Assignor agrees (x) to cause all payments on account of the Accounts and Contracts to be made directly to the Collection Account, (y) that the Security Agent may, at its

option, directly notify the obligors with respect to any Accounts and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (x), and (z) that the Security Agent may enforce collection of any such Accounts and Contracts and may adjust, settle or compromise the amount of payment thereof, in the same manner and to the same extent as such Assignor. Without notice to or assent by any Assignor, the Security Agent may, upon the occurrence and during the continuance of an Event of Default, apply any or all amounts then in, or thereafter deposited in, the Collection Account toward the payment of the Secured Obligations in the manner provided in Section 8.4 of this Agreement. The reasonable costs and expenses of collection (including reasonable attorneys' fees), whether incurred by an Assignor or the Security Agent, shall be borne by the relevant Assignor. The Security Agent shall deliver a copy of each notice referred to in the preceding clause (y) to the relevant Assignor, provided that (x) the failure by the Security Agent to so notify such Assignor shall not affect the effectiveness of such notice or the other rights of the Security Agent created by this Section 4.3 and (y) no such notice shall be required if an Event of Default resulting from the non-payment of any Secured Obligations has occurred and is continuing.

4.4 Modification of Terms; etc. Except in accordance with such Assignor's ordinary course of business and consistent with reasonable business judgment or as permitted by Section 4.5, no Assignor shall rescind or cancel any indebtedness evidenced by any Account or under any Contract, or modify any material term thereof or make any material adjustment with respect thereto, or extend or renew the same, or compromise or settle any material dispute, claim, suit or legal proceeding relating thereto, or sell any Account or Contract, or interest therein, without the prior written consent of the Security Agent. No Assignor will do anything to impair the rights of the Security Agent in the Accounts or Contracts.

4.5 Collection. Each Assignor shall endeavor in accordance with reasonable business practices to cause to be collected from the account debtor named in each of its Accounts or obligor under any Contract, as and when due (including, without limitation, amounts which are delinquent, such amounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account or Contract, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account or under such Contract. Except as otherwise directed by the Security Agent after the occurrence and during the continuation of an Event of Default, any Assignor may allow in the ordinary course of business as adjustments to amounts owing under its Accounts and Contracts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Assignor finds appropriate in accordance with reasonable business judgment and (ii) a refund or credit due as a result of returned or damaged merchandise or improperly performed services or for other reasons which such Assignor finds appropriate in accordance with reasonable business judgment. The reasonable costs and expenses (including, without limitation, reasonable attorneys' fees) of collection, whether incurred by an Assignor or the Security Agent, shall be borne by the relevant Assignor.

4.6 Instruments. If any Assignor owns or acquires any Instrument for a value equal to or in excess of a stated amount of five percent (5%) of net book value of the such Assignor's total assets (as reflected in its latest financial statements) constituting Collateral (other than (x) checks and other payment instruments received and collected in the ordinary

course of business and (y) any Instrument subject to pledge pursuant to the Pledge Agreement), such Assignor will within 10 Business Days notify the Security Agent thereof, and upon request by the Security Agent will promptly deliver such Instrument to the Security Agent appropriately endorsed to the order of the Security Agent.

4.7 Assignors Remain Liable Under Accounts. Anything herein to the contrary notwithstanding, the Assignors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Security Agent nor any other Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Security Agent or any other Secured Party of any payment relating to such Account pursuant hereto, nor shall the Security Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Assignor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

4.8 Assignors Remain Liable Under Contracts. Anything herein to the contrary notwithstanding, the Assignors shall remain liable under each of the Contracts to observe and perform all of the conditions and obligations to be observed and performed by them thereunder, all in accordance with and pursuant to the terms and provisions of each Contract. Neither the Security Agent nor any other Secured Party shall have any obligation or liability under any Contract by reason of or arising out of this Agreement or the receipt by the Security Agent or any other Secured Party of any payment relating to such Contract pursuant hereto, nor shall the Security Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Assignor under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any performance by any party under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

4.9 Deposit Accounts; Etc.

(a) Other than any Deposit Account as set forth in Annex F hereto and the Collection Account and Debt Service Reserve Account, no Assignor maintains, or at any time after the date of this Agreement shall establish or maintain, any demand, time, savings, passbook or similar account. Annex F hereto accurately sets forth, as of the date of this Agreement, for each Assignor, each Deposit Account maintained by such Assignor (other than the Collection Account and the Debt Service Reserve Account) (including a description thereof and the respective account number), the name of the respective bank with which such Deposit Account is maintained, and the jurisdiction of the respective bank with respect to such Deposit Account. Save as otherwise required under the terms of the Facility Agreement, with respect to each Deposit Account, the respective Assignor shall cause the bank with which the Deposit Account

is maintained to execute and deliver to the Security Agent, within 30 days after the date of this Agreement a “control agreement” in the form of Annex G hereto (appropriately completed), with such changes thereto, or in such other form, in each case as may be acceptable to the Security Agent. If any bank with which a Deposit Account is maintained refuses to, or does not, enter into such a “control agreement”, then the respective Assignor shall promptly (and in any event within 30 days after the date of this Agreement or, if later, 30 days after the establishment of such account) close the respective Deposit Account and transfer all balances therein to the Collection Account or another Deposit Account meeting the requirements of this Section 4.9. If any bank with which a Deposit Account is maintained refuses to subordinate all its claims with respect to such Deposit Account to the Security Agent’s security interest therein on terms satisfactory to the Security Agent, then the Security Agent, at its option, may (x) require that such Deposit Account be terminated in accordance with the immediately preceding sentence or (y) agree to a “control agreement” without such subordination, provided that in such event the Security Agent may at any time, at its option, subsequently require that such Deposit Account be terminated (within 30 days after notice from the Security Agent) in accordance with the requirements of the immediately preceding sentence.

(b) After the date of this Agreement, no Assignor shall establish any new demand, time, savings, passbook or similar account, except for Deposit Accounts established and maintained with banks and meeting the requirements of preceding clause (a). At the time any such Deposit Account is established, the appropriate “control agreement” shall be entered into in accordance with the requirements of preceding clause (a) and the respective Assignor shall furnish to the Security Agent a supplement to Annex F hereto containing the relevant information with respect to the respective Deposit Account and the bank with which same is established.

4.10 Letter-of-Credit Rights. If any Assignor is at any time a beneficiary under a letter of credit with a stated amount exceeding five percent (5%) of net book value of the such Assignor’s total assets (as reflected in its latest financial statements) or more, such Assignor shall promptly notify the Security Agent thereof and, at the request of the Security Agent, such Assignor shall, pursuant to an agreement in form and substance reasonably satisfactory to the Security Agent, use its reasonable best efforts to (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Security Agent of the proceeds of any drawing under such letter of credit or (ii) arrange for the Security Agent to become the transferee beneficiary of such letter of credit, with the Security Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be applied as provided in this Agreement after the occurrence and during the continuance of an Event of Default.

4.11 Commercial Tort Claims. All Commercial Tort Claims of each Assignor in existence on the date of this Agreement are described in Annex H hereto. If any Assignor shall at any time after the date of this Agreement acquire a Commercial Tort Claim in a stated amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of five percent (5%) of net book value of such Assignor’s total assets (as reflected in its latest financial statements) or more, such Assignor shall promptly notify the Security Agent thereof in a writing signed by such Assignor and describing the details thereof and shall grant to the Security Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Security Agent.

4.12 Chattel Paper. Upon the request of the Security Agent made at any time or from time to time, each Assignor shall promptly furnish to the Security Agent a list of all Electronic Chattel Paper held or owned by such Assignor. Furthermore, if requested by the Security Agent, each Assignor shall promptly take all actions which are reasonably practicable so that the Security Agent has “control” of all Electronic Chattel Paper in accordance with the requirements of Section 9-105 of the UCC. Each Assignor will promptly (and in any event within 10 days) following any request by the Security Agent, deliver all of its Tangible Chattel Paper to the Security Agent.

4.13 Further Actions. Each Assignor will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Security Agent from time to time such vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps, including any and all actions as may be necessary or required under the Federal Assignment of Claims Act, relating to its Accounts, Contracts, Instruments and other property or rights covered by the security interest hereby granted, as the Security Agent may reasonably require.

ARTICLE V

Each Assignor represents and warrants that it is the true and lawful owner of or otherwise has the right to use the registered Marks and Domain Names listed in Annex I hereto for such Assignor and that said listed Marks and Domain Names include all United States marks and applications for United States marks registered in the United States Patent and Trademark Office and all Domain Names that such Assignor owns or uses in connection with its business as of the date hereof. Each Assignor represents and warrants that it owns, is licensed to use or otherwise has the right to use, all Marks and Domain Names that it uses. Each Assignor further warrants that it has no knowledge of any third party claim received by it that any aspect of such Assignor’s present or contemplated business operations infringes or will infringe any trademark, service mark or trade name of any other Person other than as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Assignor represents and warrants that it is the true and lawful owner of or otherwise has the right to use all U.S. trademark registrations and applications and Domain Name registrations listed in Annex I hereto and that said registrations are valid, subsisting, have not been canceled and that such Assignor is not aware of any third-party claim that any of said registrations is invalid or unenforceable, and is not aware that there is any reason that any of said registrations is invalid or unenforceable, and is not aware that there is any reason that any of said applications will not mature into registrations. Each Assignor hereby grants to the Security Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of an Event of Default, any document which may be required by the United States Patent and Trademark Office or similar registrar in order to effect an absolute assignment of all right, title and interest in each Mark and/or Domain Name, and record the same.

5.2 Licenses and Assignments. Except as otherwise permitted by the Facility Agreement, each Assignor hereby agrees not to divest itself of any right under any Mark or Domain Name absent prior written approval of the Security Agent.

5.3 Infringements. Each Assignor agrees, promptly upon learning thereof, to notify the Security Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who such Assignor believes is, or may be, infringing or diluting or otherwise violating any of such Assignor's rights in and to any Mark or Domain Name in any manner that could reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Assignor's use of any Mark or Domain Name material to such Assignor's business violates in any material respect any property right of that party. Each Assignor further agrees to prosecute diligently in accordance with reasonable business practices any Person infringing any Mark or Domain Name in any manner that could reasonably be expected to have a Material Adverse Effect.

5.4 Preservation of Marks and Domain Names. Each Assignor agrees to use its Marks and Domain Names which are material to such Assignor's business in interstate commerce during the time in which this Agreement is in effect and to take all such other actions as are reasonably necessary to preserve such Marks as trademarks or service marks under the laws of the United States (other than any such Marks which are no longer used or useful in its business or operations).

5.5 Maintenance of Registration. Each Assignor shall, at its own expense, diligently process all documents reasonably required to maintain all Mark and/or Domain Name registrations, including but not limited to affidavits of use and applications for renewals of registration in the United States Patent and Trademark Office for all of its material registered Marks, and shall pay all fees and disbursements in connection therewith and shall not abandon any such filing of affidavit of use or any such application of renewal prior to the exhaustion of all administrative and judicial remedies without prior written consent of the Security Agent (other than with respect to registrations and applications deemed by such Assignor in its reasonable business judgment to be no longer prudent to pursue).

5.6 Future Registered Marks and Domain Names. If any Mark registration is issued hereafter to any Assignor as a result of any application now or hereafter pending before the United States Patent and Trademark Office or any Domain Name is registered by Assignor, within 30 days of receipt of such certificate or similar indicia of ownership, such Assignor shall deliver to the Security Agent a copy of such registration certificate or similar indicia of ownership, and a grant of a security interest in such Mark and/or Domain Name, to the Security Agent and at the expense of such Assignor, confirming the grant of a security interest in such Mark and/or Domain Name to the Security Agent hereunder, the form of such security to be substantially in the form of Annex L hereto or in such other form as may be reasonably satisfactory to the Security Agent.

5.7 Remedies. If an Event of Default shall occur and be continuing, the Security Agent may, by written notice to the relevant Assignor, take any or all of the following actions: (i) file a financing statement under the UCC as enacted in any relevant jurisdiction and/or file a Grant of Security Interest in the respective form attached hereto in the United States

Patent and Trademark Office or in the United States Copyright Office, (ii) declare the entire right, title and interest of such Assignor in and to each of the Marks and Domain Names, together with all trademark rights and rights of protection to the same, vested in the Security Agent for the benefit of the Secured Parties, in which event such rights, title and interest shall immediately vest, in the Security Agent for the benefit of the Secured Parties, and the Security Agent shall be entitled to exercise the power of attorney referred to in Section 5.1 hereof to execute, cause to be acknowledged and notarized and record said absolute assignment with the applicable agency or registrar; (iii) take and use or sell the Marks or Domain Names and the goodwill of such Assignor's business symbolized by the Marks or Domain Names and the right to carry on the business and use the assets of such Assignor in connection with which the Marks or Domain Names have been used; and (iv) direct such Assignor to refrain, in which event such Assignor shall refrain, from using the Marks or Domain Names in any manner whatsoever, directly or indirectly, and such Assignor shall execute such further documents that the Security Agent may reasonably request to further confirm this and to transfer ownership of the Marks or Domain Names and registrations and any pending trademark applications in the United States Patent and Trademark Office or applicable Domain Name registrar to the Security Agent.

ARTICLE VI

SPECIAL PROVISIONS CONCERNING PATENTS, COPYRIGHTS AND TRADE SECRETS

Each Assignor further warrants that it has no knowledge of any third party claim that any aspect of such Assignor's present or contemplated business operations infringes or will infringe any patent of any other Person or such Assignor has misappropriated any Trade Secret or proprietary information which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. Each Assignor hereby grants to the Security Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of any Event of Default, any document which may be required by the United States Patent and Trademark Office or the United States Copyright Office in order to effect an absolute assignment of all right, title and interest in each Patent or Copyright, and to record the same.

6.2 Licenses and Assignments. Except as otherwise permitted by the Facility Agreement, each Assignor hereby agrees not to divest itself of any right under any Patent or Copyright absent prior written approval of the Security Agent.

6.3 Infringements. Each Assignor agrees, promptly upon learning thereof, to furnish the Security Agent in writing with all pertinent information available to such Assignor with respect to any infringement, contributing infringement or active inducement to infringe or other violation of such Assignor's rights in any Patent or Copyright or to any claim that the practice of any Patent or use of any Copyright violates any property right of a third party, or with

respect to any misappropriation of any Trade Secret Right or any claim that practice of any Trade Secret Right violates any property right of a third party, in each case, in any manner which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. Each Assignor further agrees, absent direction of the Security Agent to the contrary, to diligently prosecute, in accordance with its reasonable business judgment, any Person infringing any Patent or Copyright or any Person misappropriating any Trade Secret Right, in each case to the extent that such infringement or misappropriation, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

6.4 Maintenance of Patents or Copyrights. At its own expense, each Assignor shall make timely payment of all post-issuance fees required to maintain in force its rights under each Patent or Copyright, absent prior written consent of the Security Agent (other than any such Patents or Copyrights which are no longer used or are deemed by such Assignor in its reasonable business judgment to no longer be useful in its business or operations).

6.5 Prosecution of Patent or Copyright Applications. At its own expense, each Assignor shall diligently prosecute all material applications for (i) United States Patents listed in Annex J hereto and (ii) Copyrights listed on Annex K hereto, in each case for such Assignor and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies (other than applications that are deemed by such Assignor in its reasonable business judgment to no longer be necessary in the conduct of the Assignor's business), absent written consent of the Security Agent.

6.6 Other Patents and Copyrights. Within 30 days of the acquisition or issuance of a United States Patent, registration of a Copyright, or acquisition of a registered Copyright, or of filing of an application for a United States Patent or Copyright, the relevant Assignor shall deliver to the Security Agent a copy of said Copyright or Patent, or certificate or registration of, or application therefor, as the case may be, with a grant of a security interest as to such Patent or Copyright, as the case may be, to the Security Agent and at the expense of such Assignor, confirming the grant of a security interest, the form of such grant of a security interest to be substantially in the form of Annex M or N hereto, as appropriate, or in such other form as may be reasonably satisfactory to the Security Agent.

this and to transfer ownership of the Patents and Copyrights to the Security Agent for the benefit of the Secured Parties.

ARTICLE VII

PROVISIONS CONCERNING ALL COLLATERAL

7.1 Protection of Security Agent's Security. Except as otherwise permitted by the Facility Agreement, each Assignor will do nothing to impair the rights of the Security Agent in the Collateral. Each Assignor will at all times maintain insurance, at such Assignor's own expense to the extent and in the manner provided in the Facility Agreement. Except to the extent otherwise permitted to be retained by such Assignor or applied by such Assignor pursuant to the terms of the Facility Agreement, the Security Agent shall, at the time any proceeds of such insurance are distributed to the Secured Parties, apply such proceeds in accordance with Section 8.4 hereof. Each Assignor assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of such Assignor to pay the Secured Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Assignor.

7.2 Warehouse Receipts Non-Negotiable. To the extent practicable, each Assignor agrees that if any warehouse receipt or receipt in the nature of a warehouse receipt is issued with respect to any of its Inventory, such Assignor shall request that such warehouse receipt or receipt in the nature thereof shall not be "negotiable" (as such term is used in Section 7-104 of the UCC as in effect in any relevant jurisdiction or under other relevant law).

7.3 Additional Information. Each Assignor will, at its own expense, from time to time upon the reasonable request of the Security Agent, promptly (and in any event within 10 days after its receipt of the respective request) furnish to the Security Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been requested by the Security Agent, the value and location of such Collateral, etc.) as may be requested by the Security Agent. Without limiting the foregoing, each Assignor agrees that it shall promptly (and in any event within 10 days after its receipt of the respective request) furnish to the Security Agent such updated Annexes hereto as may from time to time be reasonably requested by the Security Agent.

7.4 Further Actions. Each Assignor will, at its own expense and upon the reasonable request of the Security Agent, make, execute, endorse, acknowledge, file and/or deliver to the Security Agent from time to time such lists, descriptions and designations of its Collateral, warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports, Grants of Security Interest in the respective forms attached hereto, and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Security Agent deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral.

7.5 Financing Statements. Each Assignor agrees to execute and deliver to the Security Agent such financing statements, in form reasonably acceptable to the Security Agent, as the Security Agent may from time to time reasonably request or as are reasonably necessary or desirable in the opinion of the Security Agent to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and the other rights and security contemplated hereby. Each Assignor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Assignor hereby authorizes the Security Agent to file any such financing statements without the signature of such Assignor where permitted by law (and such authorization includes describing the Collateral as “all assets” of such Assignor).

ARTICLE VIII

REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT

8.1 Remedies; Obtaining the Collateral Upon Default. Each Assignor agrees that, if any Event of Default shall have occurred and be continuing, then and in every such case, the Security Agent, in addition to any rights now or hereafter existing under applicable law and under the other provisions of this Agreement, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions and may:

(a) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from such Assignor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon such Assignor’s premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of such Assignor;

(b) instruct the obligor or obligors on any agreement, instrument or other obligation (including, without limitation, the Accounts and the Contracts) constituting the Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Security Agent and may exercise any and all remedies of such Assignor in respect of such Collateral;

(c) instruct all banks which have entered into a control agreement with the Security Agent to transfer all monies, securities and instruments held by such depository bank to the Collection Account;

(d) sell, assign or otherwise liquidate any or all of the Collateral or any part thereof in accordance with Section 8.2 hereof, or direct such Assignor to sell, assign or otherwise liquidate any or all of the Collateral or any part thereof, and, in each case, take possession of the proceeds of any such sale or liquidation;

(e) take possession of the Collateral or any part thereof, by directing such Assignor in writing to deliver the same to the Security Agent at any reasonable place or places designated by the Security Agent, in which event such Assignor shall at its own expense:

- (i) forthwith cause the same to be moved to the place or places so designated by the Security Agent and there delivered to the Security Agent;
- (ii) store and keep any Collateral so delivered to the Security Agent at such place or places pending further action by the Security Agent as provided in Section 8.2 hereof;
- (iii) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition; and
- (f) file a financing statement under the UCC as enacted in any relevant jurisdiction and/or file a Grant of Security Interest in the respective forms attached hereto in the United States Patent and Trademark Office or in the United States Copyright Office;
- (g) license or sublicense, whether on an exclusive or nonexclusive basis, any Marks, Domain Names, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Security Agent shall in its sole judgment determine;
- (h) apply any monies constituting Collateral or proceeds thereof in accordance with the provisions of Section 8.4; and
- (i) take any other action as specified in clauses (1) through (5), inclusive, of Section 9-607(a) of the UCC;

it being understood that each Assignor's obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Security Agent shall be entitled to a decree requiring specific performance by such Assignor of said obligation.

8.2 Remedies; Disposition of the Collateral. If any Event of Default shall have occurred and be continuing, then any Collateral repossessed by the Security Agent under or pursuant to Section 8.1 hereof and any other Collateral whether or not so repossessed by the Security Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Security Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Security Agent or after any overhaul or repair at the expense of the relevant Assignor which the Security Agent shall determine to be commercially reasonable. Any such sale, lease or other disposition may be effected by means of a public disposition or private disposition, effected in accordance with the applicable requirements (in each case if and to the extent applicable) of Sections 9-610 through 9-613 of the UCC and/or such other mandatory requirements of applicable law as may apply to the respective disposition. The Security Agent may, without notice or publication, adjourn any public or private disposition or cause the same to be adjourned from time to time by announcement at the time and place fixed for the disposition, and such disposition may be made at any time or place to which the disposition may be so adjourned. To the extent permitted by

any such requirement of law, the Security Agent may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Secured Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 8.2 without accountability to the relevant Assignor. If, under applicable law, the Security Agent shall be permitted to make disposition of the Collateral within a period of time which does not permit the giving of notice to the relevant Assignor as hereinabove specified, the Security Agent need give such Assignor only such notice of disposition as shall be required by such applicable law. Each Assignor agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such disposition or dispositions of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at such Assignor's expense.

8.3 Waiver of Claims. Except as otherwise provided in this Agreement, EACH ASSIGNOR HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE SECURITY AGENT'S TAKING POSSESSION OR THE SECURITY AGENT'S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES, and each Assignor hereby further waives, to the extent permitted by law:

(a) all damages occasioned by such taking of possession or any such disposition except any damages which are the direct result of the Security Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision);

(b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Security Agent's rights hereunder; and

(c) all rights of redemption, appraisement, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and each Assignor, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the relevant Assignor therein and thereto, and shall be a perpetual bar both at law and in equity against such Assignor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under such Assignor.

8.4 Application of Proceeds.

(a) All monies collected by the Security Agent upon any sale or other disposition of the Collateral pursuant to the terms of this Agreement, together with all other monies received by the Security Agent hereunder, shall be applied in the manner provided for in clause 28.5 (*Partial Payments*) of the Facility Agreement.

(b) It is understood and agreed that each Assignor shall remain jointly and severally liable with respect to its Secured Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it hereunder and the aggregate amount of such Secured Obligations.

8.5 Remedies Cumulative. Each and every right, power and remedy hereby specifically given to the Security Agent shall be in addition to every other right, power and remedy specifically given to the Security Agent under this Agreement, the Facility Agreement or now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Security Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Security Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Secured Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any Default or Event of Default or an acquiescence thereof. No notice to or demand on any Assignor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Security Agent to any other or further action in any circumstances without notice or demand. In the event that the Security Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Security Agent may recover reasonable expenses, including reasonable attorneys' fees, and the amounts thereof shall be included in such judgment.

8.6 Discontinuance of Proceedings. In case the Security Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Security Agent, then and in every such case the relevant Assignor, the Security Agent and each holder of any of the Secured Obligations shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Security Agent shall continue as if no such proceeding had been instituted.

ARTICLE IX

INDEMNITY

9.1 Indemnity.

(a) Each Assignor jointly and severally agrees to indemnify, reimburse and hold the Security Agent, each other Secured Party and their respective successors, assigns,

employees, affiliates and agents (hereinafter in this Section 9.1 referred to individually as “Indemnatee,” and collectively as “Indemnitees”) harmless from any and all liabilities, obligations, damages, injuries, penalties, claims, demands, actions, suits, judgments and any and all costs, expenses or disbursements (including reasonable attorneys’ fees and expenses) (for the purposes of this Section 9.1 the foregoing are collectively called “expenses”) of whatsoever kind and nature imposed on, asserted against or incurred by any of the Indemnitees in any way relating to or arising out of this Agreement, any other Finance Document or any other document executed in connection herewith or therewith or in any other way connected with the administration of the transactions contemplated hereby or thereby or the enforcement of any of the terms of, or the preservation of any rights under any thereof, or in any way relating to or arising out of the manufacture, ownership, ordering, purchase, delivery, control, acceptance, lease, financing, possession, operation, condition, sale, return or other disposition, or use of the Collateral (including, without limitation, latent or other defects, whether or not discoverable), the violation of the laws of any country, state or other governmental body or unit, any tort (including, without limitation, claims arising or imposed under the doctrine of strict liability, or for or on account of injury to or the death of any Person (including any Indemnatee), or property damage), or contract claim; provided that no Indemnatee shall be indemnified pursuant to this Section 9.1(a) for losses, damages or liabilities to the extent caused by the gross negligence or willful misconduct of such Indemnatee (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Assignor agrees that upon written notice by any Indemnatee of the assertion of such a liability, obligation, damage, injury, penalty, claim, demand, action, suit or judgment, the relevant Assignor shall assume full responsibility for the defense thereof. Each Indemnatee agrees to use its best efforts to promptly notify the relevant Assignor of any such assertion of which such Indemnatee has knowledge.

(b) Without limiting the application of Section 9.1(a) hereof, each Assignor agrees, jointly and severally, to pay or reimburse the Security Agent for any and all reasonable fees, costs and expenses of whatever kind or nature incurred in connection with the creation, preservation or protection of the Security Agent’s Security or Quasi-Security on, and security interest in, the Collateral, including, without limitation, all fees and taxes in connection with the recording or filing of instruments and documents in public offices, payment or discharge of any taxes or Security or Quasi-Security upon or in respect of the Collateral, premiums for insurance with respect to the Collateral and all other fees, costs and expenses in connection with protecting, maintaining or preserving the Collateral and the Security Agent’s interest therein, whether through judicial proceedings or otherwise, or in defending or prosecuting any actions, suits or proceedings arising out of or relating to the Collateral.

(c) Without limiting the application of Section 9.1(a) or (b) hereof, each Assignor agrees, jointly and severally, to pay, indemnify and hold each Indemnatee harmless from and against any loss, costs, damages and expenses which such Indemnatee may suffer, expend or incur in consequence of or growing out of any misrepresentation by any Assignor in this Agreement, any other Finance Document or in any writing contemplated by or made or delivered pursuant to or in connection with this Agreement or any other Finance Document.

(d) If and to the extent that the obligations of any Assignor under this Section 9.1 are unenforceable for any reason, such Assignor hereby agrees to make the maximum

contribution to the payment and satisfaction of such obligations which is permissible under applicable law.

9.2 Indemnity Obligations Secured by Collateral; Survival. Any amounts paid by any Indemnitee as to which such Indemnitee has the right to reimbursement shall constitute Secured Obligations secured by the Collateral. The indemnity obligations of each Assignor contained in this Article IX shall continue in full force and effect notwithstanding the full payment of all of the other Secured Obligations and notwithstanding the full payment of all Loans made, under the Finance Documents and the payment of all other Secured Obligations and notwithstanding the discharge thereof and the end of the Security Period.

ARTICLE X

All agreements, statements, representations and warranties made by each Assignor herein or in any certificate or other instrument delivered by such Assignor or on its behalf under this Agreement shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of this Agreement and the Finance Documents regardless of any investigation made by the Secured Parties or on their behalf.

10.5 Headings Descriptive. The headings of the several sections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

10.6 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE;
WAIVER OF JURY TRIAL.

EACH ASSIGNOR FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO ANY SUCH ASSIGNOR AT ITS ADDRESS FOR NOTICES AS PROVIDED IN SECTION 10.1 ABOVE, SUCH SERVICE TO BECOME EFFECTIVE 30 DAYS AFTER SUCH MAILING. EACH ASSIGNOR HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER FINANCE DOCUMENT THAT SUCH SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE SECURITY AGENT UNDER THIS AGREEMENT, OR ANY SECURED PARTIES, TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY ASSIGNOR IN ANY OTHER JURISDICTION.

(b) EACH ASSIGNOR HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER FINANCE DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION,

PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER FINANCE DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

10.7 [Intentionally omitted].

10.8 Assignor's Duties. It is expressly agreed, anything herein contained to the contrary notwithstanding, that each Assignor shall remain liable to perform all of the obligations, if any, assumed by it with respect to the Collateral and the Security Agent shall not have any obligations or liabilities with respect to any Collateral by reason of or arising out of this Agreement, nor shall the Security Agent be required or obligated in any manner to perform or fulfill any of the obligations of any Assignor under or with respect to any Collateral.

10.9 Termination; Release.

(a) At the end of the Security Period, this Agreement shall terminate (provided that all indemnities set forth herein including, without limitation in Section 9.1 hereof, shall survive such termination) and the Security Agent, at the request and expense of the respective Assignor, will promptly execute and deliver to such Assignor a proper instrument or instruments (including UCC termination statements on form UCC-3) acknowledging the satisfaction and termination of this Agreement, and will duly assign, transfer and deliver to such Assignor (without recourse and without any representation or warranty) such of the Collateral as may be in the possession of the Security Agent and as has not theretofore been sold or otherwise applied or released pursuant to this Agreement.

(b) In the event that any part of the Collateral is sold or otherwise disposed of (to a Person other than a an Secured Party) (x) at any time prior to the end of the Security Period, in connection with a sale or disposition in compliance with the requirements of clause 23.7 (*Release of security*) of the Facility Agreement or is otherwise released at the direction of the Majority Lenders (or all the Lenders if required by clause (34.2) (*Exceptions*) of the Facility Agreement) or (y) at any time thereafter, to the extent permitted by the Facility Agreement, and in the case of clauses (x) and (y), the proceeds of such sale or disposition (or from such release) are applied in accordance with the terms of the Facility Agreement, to the extent required to be so applied, the Security Agent, at the request and expense of such Assignor, will duly release from the security interest created hereby (and will execute and deliver such documentation, including termination or partial release statements and the like in connection therewith) and assign, transfer and deliver to such Assignor (without recourse and without any representation or warranty) such of the Collateral as is then being (or has been) so sold or otherwise disposed of, or released, and as may be in the possession of the Security Agent and has not theretofore been released pursuant to this Agreement. Furthermore, upon the release of any Assignor (other than the Borrower) as a Guarantor under the Facility Agreement in accordance with the provisions thereof, such Assignor (and the Collateral at such time assigned by the respective Assignor pursuant hereto) shall be released from this Agreement.

(c) At any time that an Assignor desires that the Security Agent take any action to acknowledge or give effect to any release of Collateral pursuant to the foregoing Section 10.9(a) or (b), such Assignor shall deliver to the Security Agent a certificate signed by a

principal executive officer of such Assignor stating that the release of the respective Collateral is permitted pursuant to such Section 10.9(a) or (b). At any time that the Borrower or the respective Assignor desires that a Subsidiary of the Borrower which has been released from this Guaranty be released hereunder as provided in the last sentence of Section 10.9(b), it shall deliver to the Security Agent a certificate signed by a principal executive officer of the Borrower and the respective Assignor stating that the release of the respective Assignor (and its Collateral) is permitted pursuant to such Section 10.9(b). If reasonably requested by the Security Agent (although the Security Agent shall have no obligation to make such request), the relevant Assignor shall furnish appropriate legal opinions (from counsel, reasonably acceptable to the Security Agent) to the effect set forth in this Section 10.9(b).

(d) The Security Agent shall have no liability whatsoever to any other Secured Party as the result of any release of Collateral by it in accordance with (or which the Security Agent in good faith believes to be in accordance with) this Section 10.9.

10.10 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Security Agent.

10.11 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.12 The Security Agent and the other Secured Parties; Appointees.

(a) The Security Agent will hold in accordance with this Agreement all items of the Collateral at any time received under this Agreement. It is expressly understood and agreed that the obligations of the Security Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and the Finance Documents. The Security Agent shall act hereunder on the terms and conditions set forth herein and the Finance Documents.

(b) The Security Agent may employ a custodian, agent, nominee or delegate (an "**Appointee**") to transact or concur in transacting any business and to do or concur in doing any acts required to be done by the Security Agent (including the receipt and payment of money and the receipt of securities) and if the Security Agent exercises reasonable care in the selection of such agent, it shall not have any obligation to supervise the Appointee or be responsible for any liability incurred by reason of the Appointee's misconduct or default or the misconduct or default of any substitute appointed by the Appointee.

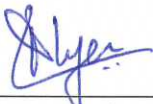

10.13 Additional Assignors. Any Subsidiary of the Borrower that has agreed with the Security Agent to become an Assignor hereunder shall be required to (x) execute and deliver a counterpart hereof to the Security Agent or execute a Joinder Agreement and deliver

the same to the Security Agent, in each case, as may be requested by (and in form and substance satisfactory to) the Security Agent and (y) take all actions as specified in this Agreement as would have been taken by such Assignor had it been an original party to this Agreement, in each case with all documents and actions required to be taken above to be taken to the reasonable satisfaction of the Security Agent.

SECURITY AGREEMENT

FORM OF CONTROL AGREEMENT REGARDING DEPOSIT ACCOUNTS

AGREEMENT (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, this "Agreement"), dated as of _____, _____, among the undersigned assignor (the "Assignor"), DB Trustees (Hong Kong) Limited, not in its individual capacity but solely as Security Agent (the "Security Agent"), and _____ (the "Deposit Account Bank"), as the "bank" (as defined in Section 9-102 of the UCC as in effect on the date hereof in the State of _____ (the "UCC")) with which one or more deposit accounts (as defined in Section 9-102 of the UCC) are maintained by the Assignor (with all such deposit accounts now or at any time in the future maintained by the Assignor with the Deposit Account Bank being herein called the "Deposit Accounts").

W I T N E S S E T H :

WHEREAS, the Assignor, various other assignors and the Security Agent have entered into a Security Agreement, dated as of [●], 2013 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the "Security Agreement"), under which, among other things, in order to secure the payment of the Secured Obligations (as defined in the Security Agreement), the Assignor has granted a security interest to the Security Agent for the benefit of the Secured Parties (as defined in the Security Agreement) in all of the right, title and interest of the Assignor in and into any and all "deposit accounts" (as defined in Section 9-102 of the UCC) and in all monies, securities, instruments and other investments deposited therein from time to time (collectively, herein called the "Collateral"); and

WHEREAS, the Assignor desires that the Deposit Account Bank enter into this Agreement in order to establish "control" (as defined in Section 9-104 of the UCC) in each Deposit Account at any time or from time to time maintained with the Deposit Account Bank, and to provide for the rights of the parties under this Agreement with respect to such Deposit Accounts;

NOW THEREFORE, in consideration of the premises and the mutual promises and agreements contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Assignor's Dealings with Deposit Accounts; Notice of Exclusive Control. Until the Deposit Account Bank shall have received from the Security Agent a Notice of Exclusive Control (as defined below), the Assignor shall be entitled to present items drawn on and otherwise to withdraw or direct the disposition of funds from the Deposit Accounts and give instructions in respect of the Deposit Accounts; provided, however, that the Assignor may not, and the Deposit Account Bank agrees that it shall not permit the Assignor to, without the Security Agent's prior written consent, close any Deposit Account. If the Security Agent shall give to the Deposit Account Bank a notice of the Security Agent's exclusive control of the Deposit Accounts, which notice states that it is a "Notice of Exclusive Control" (a "Notice of

Exclusive Control”), only the Security Agent shall be entitled to withdraw funds from the Deposit Accounts, to give any instructions in respect of the Deposit Accounts and any funds held therein or credited thereto or otherwise to deal with the Deposit Accounts.

2. Security Agent’s Right to Give Instructions as to Deposit Accounts.

(a) Notwithstanding the foregoing or any separate agreement that the Assignor may have with the Deposit Account Bank, the Security Agent shall be entitled, for purposes of this Agreement, at any time to give the Deposit Account Bank instructions as to the withdrawal or disposition of any funds from time to time credited to any Deposit Account, or as to any other matters relating to any Deposit Account or any other Collateral, without further consent from the Assignor. The Assignor hereby irrevocably authorizes and instructs the Deposit Account Bank, and the Deposit Account Bank hereby agrees, to comply with any such instructions from the Security Agent without any further consent from the Assignor. Such instructions may include the giving of stop payment orders for any items being presented to any Deposit Account for payment. The Deposit Account Bank shall be fully entitled to rely on, and shall comply with, such instructions from the Security Agent even if such instructions are contrary to any instructions or demands that the Assignor may give to the Deposit Account Bank. In case of any conflict between instructions received by the Deposit Account Bank from the Security Agent and the Assignor, the instructions from the Security Agent shall prevail.

(b) It is understood and agreed that the Deposit Account Bank’s duty to comply with instructions from the Security Agent regarding the Deposit Accounts is absolute, and the Deposit Account Bank shall be under no duty or obligation, nor shall it have the authority, to inquire or determine whether or not such instructions are in accordance with the Security Agreement or any other Finance Documents), nor seek confirmation thereof from the Assignor or any other Person.

3. Assignor’s Exculpation and Indemnification of Depository Bank. The Assignor hereby irrevocably authorizes and instructs the Deposit Account Bank to follow instructions from the Security Agent regarding the Deposit Accounts even if the result of following such instructions from the Security Agent is that the Deposit Account Bank dishonors items presented for payment from any Deposit Account. The Assignor further confirms that the Deposit Account Bank shall have no liability to the Assignor for wrongful dishonor of such items in following such instructions from the Security Agent. The Deposit Account Bank shall have no duty to inquire or determine whether the Assignor’s obligations to the Security Agent are in default or whether the Security Agent is entitled, under any separate agreement between the Assignor and the Security Agent, to give any such instructions. The Assignor further agrees to be responsible for the Deposit Account Bank’s customary charges and to indemnify the Deposit Account Bank from and to hold the Deposit Account Bank harmless against any loss, cost or expense that the Deposit Account Bank may sustain or incur in acting upon instructions which the Deposit Account Bank believes in good faith to be instructions from the Security Agent.

4. Subordination of Security Interests; Deposit Account Bank's Recourse to Deposit Accounts. The Deposit Account Bank hereby subordinates any claims and security interests it may have against, or with respect to, any Deposit Account at any time established or maintained with it by the Assignor (including any amounts, investments, instruments or other Collateral from time to time on deposit therein) to the security interests of the Security Agent (for the benefit of the Secured Parties) therein, and agrees that no amounts shall be charged by it to, or withheld or set-off or otherwise recouped by it from, any Deposit Account of the Assignor or any amounts, investments, instruments or other Collateral from time to time on deposit therein; provided that the Deposit Account Bank may, however, from time to time debit the Deposit Accounts for any of its customary charges in maintaining the Deposit Accounts or for reimbursement for the reversal of any provisional credits granted by the Deposit Account Bank to any Deposit Account, to the extent, in each case, that the Assignor has not separately paid or reimbursed the Deposit Account Bank therefor.¹

5. Representations, Warranties and Covenants of Deposit Account Bank.
The Deposit Account Bank represents and warrants to the Security Agent that:

(b) The Deposit Account Bank shall not permit any Assignor to establish any demand, time, savings, passbook or other account with it which does not constitute a "deposit account" (as defined in Section 9-102 of the UCC).

(c) The account agreements between the Deposit Account Bank and the Assignor relating to the establishment and general operation of the Deposit Accounts provide, whether specifically or generally, that the laws of [●]² govern secured transactions relating to the Deposit Accounts and that the Deposit Account Bank's "jurisdiction" for purposes of Section 9-304 of the UCC in respect of the Deposit Accounts is [●].³ The Deposit Account Bank will not, without the Security Agent's prior written consent, amend any such account agreement so that the Deposit Account Bank's jurisdiction for purposes of Section 9-304 of the UCC is other than a jurisdiction permitted pursuant to preceding clause (a). All account agreements in respect of each

¹ If the respective Deposit Account Bank is unwilling to agree to this paragraph, then the Security Agent may take the described in Section 3.9 of the Security Agreement. If the Deposit Account Bank does not agree to subordinations, its security interests in the Deposit Accounts maintained with it will have priority over the Security Agent's security interests therein under Section 9-327 of Revised Article 9.

² Inserted jurisdiction(s) must be consistent with requirements of preceding clause (a).

³ See footnote 2.

(g) The Deposit Account Bank will promptly notify the Security Agent of each Deposit Account hereafter established by the Deposit Account Bank for the Assignor (which notice shall specify the account number of such Deposit Account and the location at which the Deposit Account is maintained), and each such new Deposit Account shall be subject to the terms of this Agreement in all respects.

6. Deposit Account Statements and Information. The Deposit Account Bank agrees, and is hereby authorized and instructed by the Assignor, to furnish to the Security Agent, at its address indicated below, copies of all account statements and other information relating to each Deposit Account that the Deposit Account Bank sends to the Assignor and to disclose to the Security Agent all information requested by the Security Agent regarding any Deposit Account.

7. Conflicting Agreements. This Agreement shall have control over any conflicting agreement between the Deposit Account Bank and the Assignor.

8. Merger or Consolidation of Deposit Account Bank. Without the execution or filing of any paper or any further act on the part of any of the parties hereto, any bank into which the Deposit Account Bank may be merged or with which it may be consolidated, or any bank resulting from any merger to which the Deposit Account Bank shall be a party, shall be the successor of the Deposit Account Bank hereunder and shall be bound by all provisions hereof which are binding upon the Deposit Account Bank and shall be deemed to affirm as to itself all representations and warranties of the Deposit Account Bank contained herein.

10. Amendment. This Agreement may not be amended, modified or supplemented except in writing executed and delivered by all the parties hereto.

11. Binding Agreement. This Agreement shall bind the parties hereto and their successors and assign and shall inure to the benefit of the parties hereto and their successors and assigns. Without limiting the provisions of the immediately preceding sentence, the Security Agent at any time or from time to time may designate in writing to the Deposit Account Bank a successor Security Agent (at such time, if any, as such entity becomes the Security Agent under the Security Agreement, or at any time thereafter) who shall thereafter succeed to the rights of the existing Security Agent hereunder and shall be entitled to all of the rights and benefits provided hereunder.

12. Continuing Obligations.
